LICENSES ARE ADJUSTED

Informal Meeting of City Council and Draymen's Committee Satisfies Both Parties.

At an informal meeting of Mayor Robey and members of the city council with a committee representing the teamsters and draymen of the city, the vehicle ordinance was discussed and some slight changes were made which will be officially adopted at the next regular meeting of the council in July.

The council decided that instead of collecting the license at the year's rate at this time, to expire December 31, to collect it for six months period and give these parties the benefit of the time from now until July. The license for heavy hauling wagons for coal, sand, baggage, freight and express will be \$6 for two horses and \$3 for one horse for the six-month period. For draymen and miscellaneous hauling, it is \$5. For light deliveries such as groceries and meats, the license will be the same as the state license for cars, where cars are used.

A committee composed of F. G. Shoemaker, John H. Gray and Hi Murray, represented the teamsters at the meeting.

It is expected now that no further trouble will be experienced in collecting this license, the money from which will be used on the streets.

SEWELL BUYS BUSES.

Will Conduct Bus Line From His Garage From Now On.

John Sewell bought the two auto buses and the baggage truck at the Bus Barn sale yesterday and has moved them to his garage. He will use them to do the regular bus line business.

The other articles in the sale went to various persons throughout the county. The property was sold to J. H. Neuman of Mound City.

BORRUSCH GETS CONTRACT

Will Begin Work at Once on the \$24,000 Office Building Planned by Three Doctors.

Martin Borrusch was awarded the contract for the office building to be built by Dr. Charles T. Bell, Dr. Will Wallis, Jr., and Dr. F. R. Anthony.

Work on the structure, which will be 79 feet long and 36 feet wide will begin at once and is to be completed at the end of four months. It is expected that the building and equipment will cost \$24,000.

Some time ago the three doctors bought the lots belonging to Martin Borrusch, north of the First Methodist church and plans were made for the building which will be up-to-date in every respect.

FLAG POLE DOWN

MYSTERIOUS AGENT REMOVES IT DURING THE NIGHT.

SOLDIERS ARE ANGRY

But Are Appeased When They Learn That A New \$200 Pole Will Be Erected For Them.

"The Mystery of the Prostrate Flag Pole," is the topic of conversation on the streets today. When the last belated pedestrian betook himself to his home late last night, the flag pole was pointing skyward, and when business men began to open their stores this morning, the same pole was measuring its length on the ground beside the curb.

When questioned regarding the mysterious hands that did the work, the Mayor, the council and all others concerned professed ignorance of the affair.

The members of the G. A. R. were hurt and angry to think that the pole had been taken down in the "dark of the night," but before their wrath had time to gather into a storm, they heard that a petition was being circulated to buy a new flag pole, one that would stand the worst storm without a quiver, and consequently they are feeling somewhat mollified this afternoon.

The purchase of the new flag pole is under the direction of Mayor Robey and M. A. Hahn, who are circulating a petition through the city to raise the money for a \$200 flag pole which will be dedicated to the G. A. R. with appropriate ceremonies. The petition reads as follows:

"We, the undersigned realizing the reverence with which the G. A. R.'s hold our flag, and wishing to perpetuate their feelings along that line, hereby subscribe the amount set opposite our names, for the purpose of erecting a good and substantial flag pole to be dedicated to them to replace the one that was erected by them, but now removed."

Late this afternoon, more than \$100 had been subscribed by the citizens of Maryville for the new flag pole, as all the city is in sympathy with the G. A. R. and is determined to see that a new flag pole takes the place of the one removed last night, which was considered unsafe.

T. L. Howden of St. Joseph, is in Maryville on business. Mr. Howden was formerly of Skidmore.

Sheriff Dowden received the following telegram this afternoon from Gov. Gardner:

"The following telegram was received from the Provost Marshal General: Attention is invited to paragraph 40 of the regulations which contemplates the registration of persons who for any reason shall not have been registered on registration day. While scrutiny should be made of each case to determine whether punitive action is required it is desired for the next few days to pursue a liberal policy in this regard in order that the registration may be made complete at the earliest possible moment. Non-residents may also continue to register under the provisions of paragraph 64. If it later appears that the liberality of this policy is being abused more stringent action will be taken. Cards received from absentees after the fifth should be filed as prescribed in paragraph 40."

Owen Moore at Empire.

The aeroplane and the kiss vie with each other as the center of attraction in the Famous Players-Paramount picture, "The Kiss" in which Owen Moore and Marguerite Courtot are co-starring at the Empire tonight. The picture was directed by Del Henderson. Both stars indulge in the dangerous pastime of flitting through space and in the equally dangerous pastime of osculation. Both of these little incidents lead to very interesting episodes — the one to a big thrill and the other to a succession of delightfully amusing situations.

8TH HOME-COMING

INVITATIONS OUT FOR HARMONY ANNUAL EVENT.

GREAT CROWD EXPECTED

Last Year 2,000 Attended the Program and Dinner — Committees Are Chosen For This Year.

In accordance with the custom, Harmony community will celebrate its eighth annual home-coming at Harmony church Sunday, June 17. Invitations have been sent to all those who have ever lived in the Harmony community to come to the church on that day and visit with their former neighbors and enjoy the big basket dinner which is to be served at noon.

This will be the eighth time that Harmony has had a home-coming. Last year a splendid program and an elaborate dinner was enjoyed by about 2,000 persons. Some noted speakers were on the program and a feature of the occasion was the music by the Harmony band and orchestra.

The following committees have been appointed by the Rev. C. R. Green, pastor of the church, under whose efficient direction the former home-comings have been made such a success:

Management—Harry Martin, Mark Hefflin, A. Lawson, Thlas Casteel, and Frank Van Velsen.

Music—Mrs. Newt Moore, Mr. Whitton, Vida Hefflin and B. F. Cox.

Speakers—James Lewis, Alfred Hunt, Elmer Porter, J. S. Casteel.

Grounds—Ova Hefflin, Bert Lewis, and Leslie Murray.

Tables—John Anderson, Frank Holt, Lee De Vore, Lloyd Casteel.

Platform—Hubert Null, Albert Saunders, Art Craven, Milt Brown.

Parking cars—Bert McKee, Harry Lewis, Joe Trullinger, Bert Edwards.

Invitations—Lillian Lawson, Dot Hefflin, Effie Willis and Howard Van Velsen.

Water committee—Leslie Griffey and Mr. Sapp.

Finance—Fred Buck, John Green, Irvin Patterson.

Reception—Mrs. Alfred Hunt, Mrs. Effie Martin, Mrs. George Gay, Mrs. Ethel Gray, and Miss Blanche Moore.

Advertising—Roy Wells, Charlie Moore and Arthur Hunt.

One of the speakers on the program for the home-coming day is Dr. W. H. Betz, of New London, Ia., a noted preacher, who will bring a helpful message to all who hear him.

At an informal meeting of Mayor Robey and members of the city council with a committee representing the teamsters and draymen of the city, the vehicle ordinance was discussed and some slight changes were made which will be officially adopted at the next regular meeting of the council in July.

The council decided that instead of collecting the license at the year's rate at this time, to expire December 31, to collect it for six months period and give these parties the benefit of the time from now until July. The license for heavy hauling wagons for coal, sand, baggage, freight and express will be \$6 for two horses and \$3 for one horse for the six-month period. For draymen and miscellaneous hauling, it is \$5. For light deliveries such as groceries and meats, the license will be the same as the state license for cars, where cars are used.

A committee composed of F. G. Shoemaker, John H. Gray and H. Murray, represented the teamsters at the meeting.

It is expected now that no further trouble will be experienced in collecting this license, the money from which will be used on the streets.

SEWELL BUYS BUSES.

Will Conduct Bus Line From His Garage From Now On.

John Sewell bought the two auto buses and the baggage truck at the Bus Barn sale yesterday and has moved them to his garage. He will use them to do the regular bus line business.

The other articles in the sale went to various persons throughout the county. The property was sold to J. H. Neuman of Mound City.

BORRUSCH GETS CONTRACT

Will Begin Work at Once on the \$24,000 Office Building Planned by Three Doctors.

Martin Borrusch was awarded the contract for the office building to be built by Dr. Charles T. Bell, Dr. Will Wallis, Jr., and Dr. F. R. Anthony.

Work on the structure, which will be 79 feet long and 36 feet wide will begin at once and is to be completed at the end of four months. It is expected that the building and equipment will cost \$24,000.

Some time ago the three doctors bought the lots belonging to Martin Borrusch, north of the First Methodist church and plans were made for the building which will be up-to-date in every respect.

FLAG POLE DOWN

MYSTERIOUS AGENT REMOVES IT DURING THE NIGHT.

SOLDIERS ARE ANGRY

But Are Appeased When They Learn That A New \$200 Pole Will Be Erected For Them.

"The Mystery of the Prostrate Flag Pole," is the topic of conversation on the streets today. When the last belated pedestrian betook himself to his home late last night, the flag pole was pointing skyward, and when business men began to open their stores this morning, the same pole was measuring its length on the ground beside the curbing.

When questioned regarding the mysterious hands that did the work, the Mayor, the council and all others concerned professed ignorance of the affair.

The members of the G. A. R. were hurt and angry to think that the pole had been taken down in the "dark of the night," but before their wrath had time to gather into a storm, they heard that a petition was being circulated to buy a new flag pole, — one that would stand the worst storm without a quiver, and consequently they are feeling somewhat mollified this afternoon.

The purchase of the new flag pole is under the direction of Mayor Robey and M. A. Hahn, who are circulating a petition through the city to raise the money for a \$200 flag pole which will be dedicated to the G. A. R. with appropriate ceremonies. The petition reads as follows:

"We, the undersigned realizing the reverence with which the G. A. R.'s hold our flag, and wishing to perpetuate their feelings along that line, hereby subscribe the amount set opposite our names, for the purpose of erecting a good and substantial flag pole to be dedicated to them to replace the one that was erected by them, but now removed."

Late this afternoon, more than \$100 had been subscribed by the citizens of Maryville for the new flag pole, as all the city is in sympathy with the G. A. R. and is determined to see that a new flag pole takes the place of the one removed last night, which was considered unsafe.

T. L. Howden of St. Joseph, is in Maryville on business. Mr. Howden was formerly of Skidmore.

"The following telegram was received from the Provost Marshal General: Attention is invited to paragraph 40 of the regulations which contemplates the registration of persons who for any reason shall not have been registered on registration day. While scrutiny should be made of each case to determine whether punitive action is required it is desired for the next few days to pursue a liberal policy in this regard in order that the registration may be made complete at the earliest possible moment. Non-residents may also continue to register under the provisions of paragraph 64. If it later appears that the liberality of this policy is being abused more stringent action will be taken. Owen Moore at Empire.

The aeroplane and the kiss vie with each other as the center of attraction in the Famous Players-Paramount picture, "The Kiss" in which Owen Moore and Marguerite Courtot are co-starring at the Empire tonight. The picture was directed by Del Henderson. Both stars indulge in the dangerous pastime of flitting through space and in the equally dangerous pastime of osculation. Both of these little incidents lead to very interesting episodes—the one to a big thrill and the other to a succession of delightfully amusing situations.
